

Safer Merton

Working Together To Keep Merton Safe & Sound

The Inner Strength Network on behalf of Safer Merton are running Bystanders Training courses aimed to equip multi-agency professionals, local officers, leaders, parents, teachers, and anyone else who wants to understand how to deal with violence and crime in our community from a bystander perspective. At the end of the session professionals will be equipped with the understanding of.

- types of violence in our communities including hate
- what a bystander can practically do
- tools to equip you within the community, with signposting
- tips on how to reduce violence through understanding of exploitation

During this interactive course, clear competence guidelines to support you will be provided.

Training is available for booking on the days and times listed below:
